1. Paragraph 8 of the referent memorandum reports that I had asked [redacted] to find out whether the [redacted] has effected the pay raise for their Level IV and V positions not listed in Title V.

2. On 29 October [redacted] called me to report that he had raised the question with the [redacted] STATINTL informed that based on a legal opinion and after conversations with OMB, the [redacted] has put into effect the pay raise for their Executive Level positions not listed in Title V. I so reported to the DDA and suggested that as a matter of courtesy and routine, we call OMB to let them know of our legal position; and then I believe we are free to effect the pay raise for our Levels IV and V not listed in Title V.
